January, 2017

Despite the weather, we were finally able to hold our Installation of Officers at the first stated on January 10th. Thanks to the installation team, my wife, my parents, and everyone else who made sure things went smoothly.

Thanks to the officers' line for their past and future service to our Lodge. As they say, "many hands make light work!" Next, I want to thank the Brethren for affording me this opportunity to serve you and the Lodge.

I will close with a few words on hats. In trying to find a suitable hat for myself, I started looking at the one worn by Tom Baker as the Fourth Doctor. I soon found out the same hatter also made Harrison Ford's hat in Indiana Jones from the same base model. This struck me as fortuitous as my theme this year is connected to both characters and that is the preservation of our History. During my tenure as an officer, I have made efforts to document the history, methods, and traditions of James B. Green. I plan to continue and formalize these efforts this year in a way that is sustainable for the future.

By committing our tribal knowledge to paper and digital to assist the brethren in the future, it is my sincere hope that we can become more efficient and effective in our work.

Around the Lodge...

Recent Degree Work

At our second stated in March, we put on a wonderful Master Mason Degree and raised four new Master Masons: John Stevenson, Timothy Epps, Gerald Taylor, and Brian Reid. As is our tradition, the degree was done in costume. We were also blessed to have the willing assistance of numerous visiting brothers that night. Overall, it was a great degree and I am proud of the work we do at James B. Green!

6th Annual Great Landscapes Day at MHCO

The morning started with rain but we were ultimately able to participate again at the Masonic Children's Home for their 6th Annual Great Landscapes day. Brothers and friends from our lodge volunteered alongside others from across the state to help beautify the grounds. Our group helped spread mulch in the beds surrounding the cottages and part of the picnic area.
